4

p

Two lit - tle blue-birds, love two o - ther blue-birds, but

Two lit - tle blue-birds, love two o - ther blue-birds, but

9

Alt

they have flown.

those two un - true birds have flown, flown

those two un - true birds have flown.

13

High in the tree - tops, this lone - ly pair,

High in the tree - tops, this lone - ly pair,

High in the tree - tops, this lone - ly pair,

High in the tree - tops, this lone - ly - pair they're

17

ta - king the air, try not to care.

ta - king the air, they try not to care.

ta - king the air, try not to care.

ta - king the air, they'll try not to care

21

Coo to each o - ther, like sis - ter and bro - ther but

Coo to each o - ther, like sis - ter and bro - ther but

Coo to each o - ther, like sis - ter and bro - ther but

Coo to each o - ther, sis - ter and bro - ther

25

some - how they seem all a - lone.

some - how they seem all a - lone.

some - how they seem all a - lone.

some - how they seem a - lone, a - lone.

29

They miss the blue - birds who've been un - true.

They miss the blue - birds who've been un - true.

They miss the blue - birds who've been un - true.

They miss the blue - birds who've been un - true. so

33

That's why these blue-birds are blue. blue.

That's why these blue-birds are blue. blue.

That's why these blue-birds are blue. blue.

That's why these blue - birds are blue. blue.

39 *p*

Two lit - tle blue - birds, love two o - ther blue - birds, but

Two lit - tle blue - birds, love two o - ther blue - birds, but

but

43

those two un - true birds have flown. they have flown

those two un - true birds have flown, they have flown

those two un - true birds have flown. have flown, have flown

47

High in the tree - tops, this lone - ly pair, they're

High in the tree - tops, this lone - ly pair,

High in the tree - tops, this lone - ly pair,

High in the tree - tops, this lone - ly - pair they're

51

ta - king the air, try not to care. they'll try not to care

ta - king the air, try not to care.

ta - king the air, try not to care.

ta - king the air, they'll try not to care

55

p Coo to each o - ther, like sis - ter and bro - ther but

Coo to each o - ther, like sis - ter and bro - ther but

but

59

some - how they seem all a - lone.

some - how they seem all a - lone.

some - how they seem all a - lone.

a - lone.

63

They miss the blue - birds who've been un - true.

They miss the blue - birds who've been un - true.

They miss the blue - birds who've been un - true.

They miss the blue - birds who've been un - true. so

67

That's why these blue - birds are blue.

That's why these blue - birds are blue.

That's why these blue - birds are blue.

That's why these blue - birds are blue.
